

# STRATEGIC THINKING AND INTERACTIONS FOR SUCCESS IN A COMPLEX WORLD

AN INTERACTIVE WORKSHOP

**11 JUNE, 2024 (14:30–17:00)**

**The American University of Central Asia**  
7/6 Aaly Tokombaev St, Bishkek 720060, Kyrgyzstan

**Language: English**

Our partners:

## WHAT TO EXPECT

Duration: 2,5 hours.

**Objective:** Equip participants with strategic thinking skills and effective strategies for navigating social and professional interactions in today's complex world.

**Key Topics:** Principles of strategic thinking and decision-making. Game theory and analysis of strategic interactions. Strategies for effective cooperation and managed competition. Joint decision-making frameworks. Building trust and negotiating strategically.

**Training approach:** This highly interactive workshop will blend theory, case studies, and hands-on exercises to help participants develop a strategic mindset and practical skills. Through group discussions and simulations, attendees will have the opportunity to apply the concepts and techniques to real-world challenges.

**Number of participants:** 36 (first come, first served)
